London is home to one of Canada's most luxurious experiences.

One of the foremost day spas in Canada and the first of its kind in southwestern Ontario, Fayeze Beauty Spa continues to enjoy tremendous growth. Since opening its doors in 1983, Fayeze has expanded to 8500 square feet of first-class luxury and tranquility with a delightful atmosphere that calms the mind, body and soul.

The spa has a staff of more than 45 professional, fully qualified therapists, registered massage therapists, aestheticians and stylists dedicated to ensuring the highest quality service and an enjoyable, relaxing experience for each client. A wide range of luxurious treatment services, specialties and packages are offered and a Fayeze gift certificate is always appreciated by the woman who wants the best.

An industry leader, Fayeze Beauty Spa has been honoured with several awards not only in Canada, but south of the border. Fayeze is a two-time recipient of the *Distinguished Day Spa of Canada* award presented by the Day Spa Association of America in 2000 and 2001.

Fayeze Beauty Spa has also been voted one of the *Top-Ten Spas in Canada*. "While it is an honour to be recognized by our peers, this award means the most because it is determined by votes from spa clients across the country," says Fayeze Tamba, owner and founder of Fayeze Beauty Spa. He credits the respect and relationships that he and his staff have established with their clients over the years as one of the main reasons for the spa's success. "We always strive to continue to provide the best possible service for our clients and happy, satisfied clients have made us what we are today," says Tamba.

The spa business is booming in Canada with growth at an average of 17% each year and 2,500 spa and wellness facilities nationwide. With so many spa locations it is even more important to Fayeze Beauty Spa to receive the seal of approval from the *Leading Spas of Canada* organization. Fayeze is a long-standing member of this exclusive group of spas where membership requires that strict guidelines and the highest industry standards are met.

Fayeze Beauty Spa is also a member of the *Premier Spas of Ontario* organization, and the only member in London. "Endorsement from the national and provincial spa organizations distinguishes us from other spas and provides reassurance to our clients that our spa has gone through an extensive screening, qualification and approval process and meets the highest standards in the industry."

Always an innovator in the day spa business, Fayeze, in partnership with Premier Spas of Ontario and Via Rail is offering a new *Spa Train* service. It's an opportunity for clients to travel by train to London and enjoy a fabulous day at Fayeze Beauty Spa, complimentary transportation to and from the train station, and hotel recommendations if clients choose an overnight stay at the Forest City.
